### **Schenck presents cybersecurity workshop**

WISCONSIN – Schenck is hosting a workshop, “Protecting Wisconsin Businesses against Cyber Threats,” featuring guest presenter Byron Franz, special agent with the Federal Bureau of Investigation.

Participants will learn how malicious hackers are continuously creating new methods to get to sensitive data, costing the U.S. hundreds of billion dollars a year. The workshop will highlight some of the biggest cyber and economic espionage threats to Wisconsin businesses and individuals. Then, Steve Hyde, chief information officer and director-information technology services at Schenck, will share practical tips for companies looking to boost cybersecurity practices.

The workshop will be held in two locations:

- Wednesday, May 24 at the Westmoor Country Club, 400 S Moorland Rd, Brookfield, from 7:30 to 9 a.m. with registration opening at 7 a.m.
- Thursday, May 25 at the Butte des Morts Country Club, 3600 W Prospect Ave, Appleton, from 8 to 9:30 a.m. with registration opening at 7:30 a.m.

Both events will offer a 15-minute Q&A session following the presentation. There is no cost to attend.

To register, visit the Schenck website at [schencksc.com/events](http://schencksc.com/events). Contact Lindsey Hotchkiss at 920-996-1266 or [lindsey.hotchkiss@schencksc.com](mailto:lindsey.hotchkiss@schencksc.com) with questions.
