First Bank Financial Centre Celebrates Another Top Workplaces Win

Oconomowoc, Wis. – First Bank Financial Centre (FBFC) has been awarded a 2018 Top Workplace honor by the Milwaukee Journal Sentinel. The award is based on the results of an employee feedback survey by Workplace Dynamics, LLC, a research firm that specializes in organizational health and workplace improvement.

This is FBFC's ninth consecutive year being honored with this award. They were ranked as the highest retail bank in Southeast Wisconsin, and received the ninth highest overall score among mid-sized companies. "Because of the personal efforts of our family of employees, we have earned a reputation of being a great place to work. We have created something unique and our employees' hard work and dedication have helped shape this company into who we are today, and what we will become tomorrow," said Mark W. Mohr, FBFC President and CEO. FBFC is one of only eighteen companies to have been recognized as a Top Workplace all nine years of the program.

The bank's emphasis on being connected with the communities where they operate, their collaborative, supportive approach, and the work/life flexibility they offer their employees, consistently makes FBFC a great place to work.
