## **Fox Cities Chamber Announces Thielman as New Chamber Ambassador President**

**APPLETON, Wis. (February 15, 2019)** – The Fox Cities Chamber of Commerce has announced a new leadership position to its Chamber Ambassador group. Ann Thielman has accepted the role as Fox Cities Chamber Ambassador President for 2019.

The new role as president of the Ambassador group will play an integral role in engaging and mentoring the entire Ambassador group; supporting all Chamber initiatives and programs; acting as the primary liaison between the Ambassadors and Fox Cities Chamber staff; and more.

Thielman is currently a Realtor with Keller Williams Fox Cities. She has a background in marketing and spent the majority of her career in technology marketing. Upon moving to the Fox Cities from Minnesota in 2013, Thielman made a career change to real estate and has thoroughly enjoyed the aspect of building relationships through her career endeavors.

She is highly involved in the community, serving on the board of directors of the Mid-Day Women's Alliance and also the organizer of First Thursday, a networking group for women in the Fox Valley. Among these volunteer roles, Thielman also supports BABES, Operation Cinderella and IMPACT 920 among her involvement at the Fox Cities Chamber.

“I am excited about getting even more involved with the Fox Cities Chamber and getting to know each Ambassador on a personal level. Together we will work to engage our members and look to add additional activities to provide more value to small business members,” shared Thielman. “Working together, I know that 2019 will be a great year for the Ambassadors and the Fox Cities Chamber.”

The Fox Cities Chamber Ambassadors serve as the primary volunteer arm of the organization. They are a group of highly visible, highly engaged Chamber members who are considered the goodwill arm of the Chamber, typically attending Chamber events to build relationships with members and facilitate introductions that enable networking with other members. These volunteers are a valuable resource for information and assistance. They serve as conduits for relaying member needs, questions and concerns back to the Chamber.
