Re: WARN Notice

Dear Members of the Dislocated Workers Unit,

On January 16th, ShopKo Stores Operating Co., LLC (“Shopko” (“Shopko”)) filed voluntary petitions for a court-supervised financial restructuring under Chapter 11 of the United States Bankruptcy Code. Despite our best efforts, we were unable to reach an actionable agreement with any buyer interested in operating the business as a going concern. As a result, we have begun the wind down of our retail operation, which includes closing all remaining store locations. There will be 39 additional store locations closing in Wisconsin. Not all of the stores have the number of full time employees that qualify for a WARN to employees. But, we are notifying the state of all the stores in WI that will be closing.

There are approximately 1,715 jobs that will be eliminated through store closings and the closing of our optical lab. The stores are expected to close on or about June 16, 2019.

These reductions are expected to be permanent with no bumping. A list of affected stores and counts by job title are attached as Appendix A and Appendix B.

We are extremely grateful for the support the community has provided Shopko.

If you have questions, please feel free to contact Cindy Moen at the 700 Pilgrim Way, Green Bay, Wisconsin, 54301 or at 920-429-4332.

Sincerely,

Denise M. Domian
Chief Human Resources Officer
